OLD BUSINESS

Bob/Brian

- **Budget Review** -currently working under an approved budget (8th Iteration – reflection of increased monitoring/oversight)
- **Review most current Budget Revision and seek Action** (NOTE: seeking Action from Board on Approval)
- **Region 1 budget is current as of February 3**
 - Under One Roof Conference is now back ON; May 19-20, 2026. Request to add this budget line item back into the budget (Travel Line 2 - \$1542.00
 - Adjusted 'Scholarship' Budget Amount to \$17417.00 to balance budget. Travel Line 3). Request approval
 - Contractual line items 13 – Competitive bids sought for Specialist to create 3 CMS pre-canned TTX's – Review bids and seek BOD approval on chosen vendor.
 - "Other" Category – this region does support 2 Salamander Rapid Tag systems (badging and credentialing that tracks people and resources). Two WEM regions currently have rapid tag systems. Cost would be \$2,300 for supporting these two systems, personnel management and annual fee. Request BOD approval
 - Storage Units for NWWIHERC equipment – Original BOD desire was to retain the 'large' storage unit at Banbury and eliminate the small unit and the parcel drop-off location. Coordinator was onsite at Banbury to do inventory and get equipment out into the field (Body-bags – 11 boxes, Salamander Printer – 1, Qualitative Fit Test Kits – 2). Still enough inventory to warrant retaining both the Large and Small Storage Units at least through BP2. Category – Other. Line Items 4 and 5 reflect this. Seek BOD approval.
- **Additions to NWWIHERC Website** – Discussion (Review updates and member's section) – roll-out plan
 - i. There is a new login feature that will be password protected. The Members only resources will have State Level Plans and Regional Level Plans, which will have the parameters of that login members only feature.

NWWIHERC website – 'Calendar'

****If you have staff that would like to get on a distribution list with the HERC the most efficient way is to go to our webpage and have the sign up with the "JOIN NOW" button. It is the best way to keep distribution organized and have them on the newsletters.

****Membership meetings will be every other month on the First Friday of that month. Next meeting will be in March.

Project Awareness: Is there a regional project we're missing? Are there regional 'resources' we are missing? Is there an outside training we can bring in? We can make budget amendments if we deem a project a priority.
